

EZArtemia Ultra

Liquid *Artemia* Replacement Diet

With more than two decades of commercial use and continuous improvements, EZ Artemia Ultra is the most advanced *Artemia* replacement product on the market today.

EZ Artemia Ultra is the next generation of our popular liquid microencapsulated diet that is formulated to match the nutrient profile of enriched *Artemia*. Unlike *Artemia*, that is subject to variability in nutrition and supply and which can be pathogenic, EZ Artemia Ultra provides a consistent nutrient composition that is completely biosecure.

- + Higher particle nutrient density & digestibility.
- + Enhanced microencapsulation.
- + Improved buoyancy.
- + Precision formulation of high-quality marine proteins & oils.
- + Demonstrated improved larval performance in trials.
- + Upgraded probiotics for better water quality & gut health.
- + Vpak immune enhancement.
- + Targeted particle size distribution.
- + Ready to use, convenient & stable product.
- + Tested to prove its bio-secure.

Disclaimer: Photos of feed may vary from screen appearance, printing and lot production. This is a visual to give you a representation of particle range and color approximate. Consult your representative for a sample today.

GUARANTEED ANALYSIS

		Wet Weight	Dry Weight
Crude Protein	Minimum	12.0%	45.0%
Crude Fat	Minimum	4.5%	17.0%
Crude Fiber	Maximum	1.0%	4.0%
