

Goldfish Flake

Premium All-Purpose Diet for Koi and Goldfish

Zeigler Goldfish Flake is a complete and nutritionally balanced diet formulated to meet the requirements for goldfish and koi. The diet uses high quality marine protein sources to increase palatability and digestibility, and thus minimize excreted waste. Increased levels of Stable Vitamin C and Brewers Yeast are included in the diet to promote healthy gill, fin, and tissue development.

PARTICLE SIZE: Flake

PACKAGING: Bulk 5 lb. and 25 lb. boxes

FEATURES & BENEFITS

- Complete, nutritionally balanced diet for goldfish and koi
- Fortified with natural immune enhancers to promote tissue development
- Contains Spirulina, Krill, and Shrimp Meal to bring out vibrant coloration
- Contains highly digestible marine proteins to reduce excreted waste
- Contains **Vpak** (Vitality Pack) an all-natural, nutritional feed supplement, designed to improve overall fish health and resistance to disease.

PRODUCT APPLICATION & STORAGE

- Feed as the sole diet 3-4 times daily. No supplementation is necessary for healthy fish.
- Feed ad libitum - as much as the fish will consume in three (3) minutes of feeding.
- Store in cool, dry place away from sunlight.
- Maintains nutritive value and shelf life up to one (1) year if properly stored and handled.
- Frozen storage extends shelf life beyond one (1) year.
