

EZ Larva Ultra

Premium Liquid Larval Diet

A revolutionary liquid diet harnessing the advantages of algae and probiotics to enhance the health and performance of early life stages.

- Effective replacement of up to 50% of algae in Z1 and up to 100% of algae from Z2 onwards
- Targeted probiotics for improved gut health (**rescue**) & water quality (**remediate**)
- **Vpak** inclusion for optimal health and immune response
- Organic acid blend aids control of pathogenic bacteria
- Enhanced levels of antioxidants
- Improved buoyancy
- Formulated specifically for Zoea, Mysis, and early PL stages
- Higher nutrient density and digestibility
- No terrestrial animal proteins
- Non-GMO

Disclaimer: Photos of feed may vary from screen appearance, printing and lot production. This is a visual to give you a representation of particle range and color approximate. Consult your representative for a sample today.

GUARANTEED ANALYSIS

		Wet Weight
